ALL-COUNTY INFORMATION NOTICE I-46-82

TO:

SUBJECT: FOOD STAMP PROGRAM INFORMATIONAL ACTIVITIES

REFERENCE:

This notice is to advise you of materials which will be sent to you shortly, at no charge, to meet the requirements of Food Stamp Manual Section 63-1002, County Program Informational Activities. These materials are to be made available to applicant and recipient households to the extent that supplies are available.

The following program informational materials are being distributed directly to the counties as they are currently available in only limited quantities and replenishment of the supply is uncertain due to federal budget constraints. The amount distributed to each county is based on a percentage of the caseload and all existing supplies are being distributed.

Nutrition (Manual Section 63-1002.11)

PUB 70, Eating for Better Health (English only)

PA 1241, Building a Better Diet (English only)

WIC (Manual Section 63-1002.12)

PUB 85, WIC (Women, Infants and Children) (English and Spanish)

Rights and Responsibilities (Manual Section 63-1002.13)

PUB 10, How to Apply For and Use Food Stamps (English only)

Counties should be aware that the PUB 10 accurately reflects program requirements with one exception. On page 8, the reference to the earned income deduction is 20 percent instead of 18 percent. Applicants should be advised verbally that this has changed.

DFA 285-A, Application for Food Stamps
